## **Kitchener-Waterloo Symphony Corporate Club** **Corporate Partnership with the Kitchener-Waterloo Symphony:** **Building a Creative Future**

"As much as Research in Motion and the Perimeter Institute, the K-W Symphony has become a part of what makes Kitchener-Waterloo a very distinctive community" *Maclean's*

The Kitchener-Waterloo Symphony is committed to performing at the highest international level, inspiring young people to actively engage in music, to presenting music in new and relevant ways, and to redefine what an orchestra is today. Corporate Sponsorship ensures that the KWS continues as a vibrant, core cultural organization for our Region and beyond.

The KWS Corporate Club creates an opportunity for your company to enjoy exclusive benefits that make your corporate partnership experience relevant and valuable to your company, employees and customers. Entertain clients with an evening at the symphony and meet Music Director Edwin Outwater back stage, reward your employees in a unique way, or utilize your Corporate Club membership to recruit new talent to the area. See the reverse for Membership Benefits and join the KWS Corporate Partners who have already enjoyed regular benefits while supporting one of Canada's outstanding orchestras.
